

SINKS

Improve your comfort in style with sinks from Ponte Giulio. Create a clean, modern, stylish and accessible wash area in any bathroom.

ACCESSIBLE SINKS FOR EVERY BATHROOM

Ponte Giulio sinks are designed in Italy for functionality and style. Manufactured of porcelain, acrylic stone (a generic name for Corian or LG Hi-Macs material) or mineral composite, all Ponte Giulio sinks are built to last.

These sinks provide accessibility with wall-mounting, elbow rest area and ergonomic towel bars and hand pulls for any ADA or residential space. Many sinks offer a concave front for seated users.
